- Medications needed during the day
- Camera (*we suggest getting a waterproof case*)

ON THE RIVER

Oar Boat

This Boat is commonly referred to as the princess boat. This boat option is operated by a skilled guide, it carries gear & up to 4 guests. The oar boat offers a smooth ride and allows you to kick back and relax.

Paddle Boat

The paddleboat is operated by a skilled guide and is one of the most active boating options. The paddleboat carries 4-7 guests.

Inflatable Kayaks

IK's follow and are given direction by the guide in the paddleboat. The IK comes in single and double person. This is an exciting option for floating the middle fork under your own control.

Shredder

A new addition to the Boundary Expeditions fleet, this two-person raft is a fun, intimate and exciting way to experience the river.

Sweep Boat

The Sweep Boats is the boat that makes the trip happen. This 22' boat transports all the camp gear down the river.

FISHING

If you plan on fishing you will need to buy an Idaho State fishing license. This can be done pre-trip by visiting <https://id.outdoorcentral.us>

If you decided to wait you can purchase a license in Stanley prior to departure. The Middle Fork is catch and release and single-barbless hooks are used. If you plan on fishing please feel free to bring your own gear and please call our office for gear & fly recommendations. Guides will give you a quick lesson on how to release the fish back into the water the day we launch.
